HOWARD ADAMS \$1,000 Fine, Year Sentence for Man HEADS ROTARY As Result of Fatal Accident July 4

Floyd Cummings, 41, driver of the vehicle in which his wife, Mrs. Wilma Cummings, 46, formerly of Bay St. Louis, was fatally injured last July 4 in a two-car crash on Hwy 90 in Long Beach entered a plea of guilty Wednesday to a manslaughter indictment in Harrison County Circuit Court. Gulfport, was fined \$1,000 and sentenced to one year in jail.

Circuit Judge Leslie Grant suspended the jail sentence and deferred payment of the fine until June 1. **Cummings, wife**

Funeral services were held Tuesday for Oliver John Planchet, 70, at our Lady of the Gulf Church.

He was the son of the late Louise Clona and George Planchet; brother of Miss Regina Planchet of Bay St. Louis, and Raul N. Planchet of New Orleans.

He also is survived by two nieces and four nephews.

Interment was in St. Mary's Cemetery.

The sheriff's warning was issued following an altercation between two high school boys Tuesday afternoon in front of the Bobby Anne Bankery, at which a crowd of about 40 other youths gathered.

The boys were separated by Tom Bressler and Joe Benvenuto, who received bruises in the ensuing fracas.

City police took five of the boys to the Sheriff's office for questioning, and knives were taken from two of the youths.

The fight allegedly was the result of a difference between two local teen age gangs, the "Cats" and the "Chickens."

Tuesday night the sheriff arranged a meeting with the boys involved, their parents, Police Chief Alcine Saucier and Constable Herman Mazarakis in an effort to prevent any recurrences of street fights between these gangs, and to stop what might become a juvenile problem in Bay St. Louis.

This year's Red Cross fund campaign got off to a good start this week with close to \$400 already donated as the drive opened on Thursday, Kenneth Peppordene, fund chairman for the Hancock County Chapter, announced today.

"Such early and generous response from the people of our county is most encouraging and we feel it is a good indication that we should go over the top in making our quota of \$4,865," Pepperdene said.

"We have a fine corps of enthusiastic volunteer workers, who have begun to make the door-to-door canvass of homes and business houses. We feel sure that Red Cross contributors will cooperate with us in helping us to reach our goal."

Final plans for the drive were discussed at a meeting of residential workers, held at Christ Episcopal Church Feb. 24. Mrs. Charles Goodyer of Bogalusa, Red Cross volunteer Field Consultant, was guest speaker. Plans for the business workers were made at a meeting Monday night at the REA.

Persons who have volunteered their services for the drive are as follows:

Hancock County Post 3253 of the Veterans of Foreign Wars was host Sunday to a meeting of the First District of Mississippi of the VFW with representatives from Biloxi, Gulfport, Picayune, Poplarville, Bay St. Louis, Lucedale and Pascagoula attending.

State Representative Delos Burks was the feature speaker at the afternoon dinner given at the Knights of Columbus Hall. Topic of his address was the bill he and Rep. Walter James Phillips have before the House asking free admission to State colleges for children of deceased Korean veterans.

Burks, who also is State Quartermaster and Adjutant of the VFW, and District Commander North Herkies Blvd., highly commended the efforts for their progress and increase in membership since the post war reactivation in October.

Ninety men were present while women attended the auxiliary.

The 'Cats' and the 'Chickens'

In teen-age parlance, a "chicken" is one who refuses to do an act a "cat" dares him to do.

In the past few months there have been organized groups of teen-age youngsters in our county who have self-appointed themselves as "cats." These boys make it a point to exalt themselves and go around looking for a fight or other trouble—usually picking on those younger than themselves—and usually outnumber the ones they seek to pick on. They usually dare the weaker to do some act, and when they refuse, they are termed "chicken" and suffer some hurt or harm.

This past week some "cats" picked a fight—a street fight, and were caught by the local officers. An ultimatum was given by the Sheriff that if there were recurrences, a curfew would be put in force.

An "idle brain is a devil's workshop," and apparently it takes an idle brain and body to start such tomfoolery. The people of this community are not going to tolerate such foolishness, and neither are the officials. So parents, check on your child and give him something to do—or else the Reformatory schools will have the job.

CORN VARIETIES

A new list of recommended hybrid corn varieties announced by the Mississippi Agricultural Experiment Station is:

North Mississippi—Dixie 22 (yellow), Funk G779W, Tennessee 29, Dixie 33 and 17, Pfister (Pag) 653 and 631 for early feed.

Central Mississippi—Coker 911 and 811, Dixie 11, Funk G-785W (All white), Dixie 18 and 82, Pfister (Pag) 485, and McCurdy 1003, all yellow.

South Mississippi—Dixie 18, McCurdy 1003 and Funk G740, all yellow; and Coker 811 and Louisiana 521, both white.

For silage, the best quality corn silage is made from hybrids that produce a high yield of grain. Select a hybrid in your area that is recommended for high yield and erect plants.

REPLACEMENT EWES

Sheepmen interested in bringing in replacement ewes this spring should begin making arrangements to secure them and make plans for their feed and fencing programs.

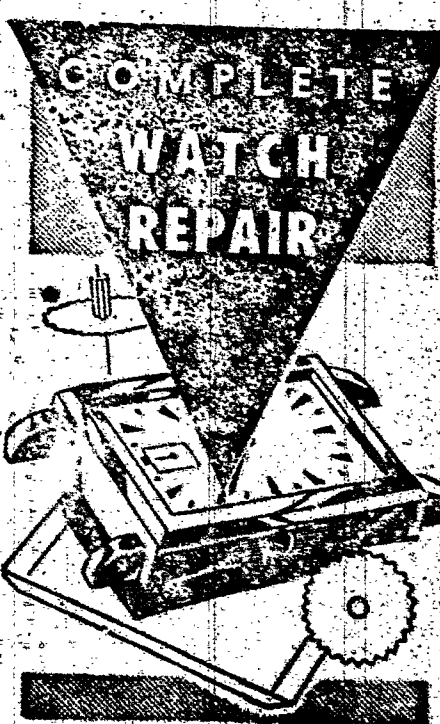

The main source of replacement ewes is the West. Usually the ewes are brought in during May and early June, preferably in time to become acclimated to the new area before breeding.

Farmers are urged to pool orders in order that replacement ewes can be shipped in carload lots.

Members of the Agricultural Extension Service animal husbandry department and the county Extension workers will help farmers contact sources of the right kinds of replacement ewes.

FLOOR COVERING—Linoleum and Wall Covering. Best selections of all sizes and color in town.

Home Agent Notes

By IDA LAURA GABRAWAY

Keeping bread fresh after you get home from the bakery or grocery store is a problem for many homemakers. Is it for you?

If you nod your head in agreement, here's an answer from research by home economists: The best all-round place to store bread is in a refrigerator freezing unit or a freezer.

Freezing is practical either for bread in meal-to-meal use or for loaves stored several weeks. Frozen loaves will thaw in three to four hours at room temperature. You can toast frozen slices without thawing; but it takes longer.

The original wrapper of waxed paper or cellophane does a good job of keeping moisture from escaping. Be sure the wrapper is closed tightly after each use.

LAWN FURNITURE

Here's a hint for those of you who plan to buy or make new furniture for your lawn this summer. The chairs should not have solid seats. Choose slats or chairs with some type of opening. Some even have holes for drainage.

If the seat cannot drain, there is danger of rust and rot much sooner.

BUILT-IN OVENS

At what height should a built-in oven be placed?

About one out of four kitchens in the homes being built today have built-in oven—one built into cabinets and set apart from surface cooking units. The heights at which these ovens have been placed varies widely.

A recent study showed that women of average height—five feet two inches to five feet three inches—used less energy when the most-used oven racks were 23 to 40 inches from the floor.

Lower ovens caused more tiredness. Those with racks more than 40 inches from the floor were awkward to use and also required more energy.

In general, the inside bottoms of most built-in electric ovens should be about 32 inches from the floor, placing the lowest rack about 35 inches above

floor level and broiler racks at about 40 inches.

For most gas ovens, the interior bottom should be about 37 inches and broiler racks at or above 28 inches.

If you are planning such an oven, these general figures will help you. But be sure your oven is placed at the height most convenient and efficient for you.

HAM AND SCALLOPED POTATOES

4 medium-sized potatoes, sliced
1 tablespoon grated onion
Salt and Pepper
2 cups hot milk
1 pound thinly sliced ham, cut in serving pieces.

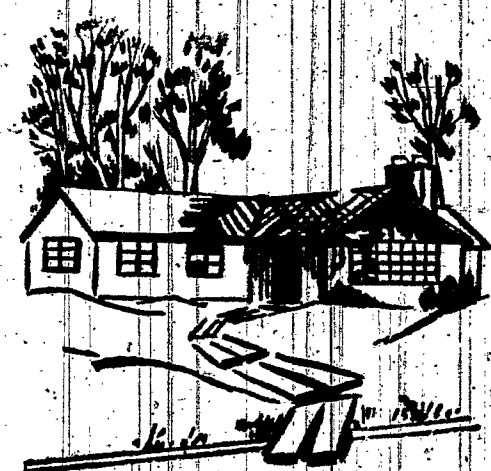

Put half of the potatoes into a greased baking dish and sprinkle half of the onion over them. Add a little salt and pepper. Then add the ham and cover with the rest of the sliced potatoes, seasonings and onion.

Add milk until it barely shows between the slices of potatoes on top. Save the rest of the milk to add during the cooking if needed.

Cover the dish and bake at 350 degrees (moderate oven) for about an hour. Remove cover last 15 to 20 minutes to let potatoes brown on top. This serves four.

School Trustees Election To Be March Third

Jackson, Miss., Feb. 9.—Special—State Superintendent of Education J. M. Tubb has by written communication called to the attention of the county superintendents of education the election of school trustees set by law for the first Saturday in March, which is March 3 this year.

The law on school trustee election was changed in many respects by the 1953 Extraordinary Session of the Legislature, according to Mr. Tubb. The petition and-or appointment method was repealed. Trustees are elected by qualified electors of

the school district in a meeting held at the school house between the hours of 2 p. m. and 4 p. m. on the first Saturday of March.

This election does not include municipal separate district trustees who are organized on the county-wide district plan where the county board of education is the board of trustees for the county-wide district.

The importance of selecting good men and women to serve as school trustees cannot be overemphasized. Although this position carries with it no financial remuneration, nevertheless, it carries a responsibility that is felt in every home in the school district and may result in the progress of public education in school communities for years to come.

MAYOR SCAFIDE TO HAVE LEAD ROLE IN BAY LITTLE THEATRE PRODUCTION

By VICKI HILL
Progress on "Light Up the Sky," the first attraction of the season slated by the Bay St. Louis Little Theatre, has been halted in consideration of the busy schedule of our Mayor, John A. Scafide. The principal male role in the play is believed a "natural" for the Mayor and his services were considered of such value that rehearsals have been temporarily delayed for his convenience.

All of our patrons remember the splendid work that "Johnny" has done in the theatre in the past. He will be especially remembered for the fine portrayal of "Brook" in "Born Yesterday," which was an SRO attraction and more recently as the priest in "The Velvet Glove." The two roles, widely divergent, prove the Mayor's versatility behind the footlights. Cast opposite Myrtle Steffel, who will play his ice skating spouse in the forthcoming comedy, you are assured an evening of exuberant and brilliant entertainment.

The play is one of those swift moving comedies with lots of crisp repartee and a surprise "situation" which makes the slightly bawdy theatre folk all happy in the end. The serenity of this particular season is a splendid time in which to concentrate on your membership for the ensuing year. "Light Up the Sky" will be produced just about the time the period of respite is over. There is no period of respite, however, for your Executive Board. The moment one season is closed plans begin for another season. This means an investment in scripts, props, and the myriads of other details that combine to make our plays the sort of superior offerings we bring to you each year. Your membership dues make this possible and help to keep our organization debt free, besides affording a good legitimate pastime to your community. We urge those of you who have not subscribed for this season to do so promptly, and to the newcomers in this area we would like to extend our usual welcome. The dues for four major plays in addition to other entertainment, are \$5.00 per season. Door receipts are necessarily higher.

We bring you the best modern plays we can secure. The talent is notable and numerous and you will find that you have made a very wise as well as pleasant investment. Contact Erle Kirkpatrick for information concerning membership.

Mississippi Gulf Coast Banks To Observe Saturday Closing

Beginning Saturday, April 7, 1956, the banks of the Mississippi Gulf Coast will observe SATURDAY CLOSING.

This is in keeping with the nationwide trend of banks, insurance companies, industries, trades, etc., also in order that we may continue to attract the best possible personnel to serve our customers.

It has also been found that observances of the following holidays would be more in keeping with the best interest of the Coast Business Houses and banking public; therefore, after April 7, 1956, the Mississippi Gulf Coast Banks will observe the following holidays:

NEW YEAR'S DAY
MARDI GRAS DAY
(Bay St. Louis thru Biloxi)
INDEPENDENCE DAY
LABOR DAY
THANKSGIVING DAY
CHRISTMAS DAY

We believe that you will find the facilities of the Gulf Coast Banks broad enough to serve your every requirement and we invite you to take advantage of the many banking offices conveniently located in every section of the Gulf Coast. We invite your cooperation and pledge to you our best efforts in serving your banking needs.

I WANT TO JOIN A GOOD TEAM-- NOT FIGHT IT!

For the past 6½ years the City of Bay St. Louis has had a team of officials working together. The results have been visible. There have been no rackets; no graft; no increase in taxes, and yet have reduced the bonded indebtedness to one of the lowest of any municipality in the State; many improvements have been made. One member of the team was elevated by the people to the office of Sheriff and Tax Collector, thus causing a vacancy.

For the past 2½ years I have been fortunate to work with this team, being entrusted with the handling of large sums of money, and other responsibilities.

I am now asking you, the voters of our city, to promote me to your team. I can cooperate with this team when I feel the members are working for your best interest. I can also differ when I feel I am right and they are wrong.

In this race I haven't had to fight my OPPONENT as much as I have had to fight some of his chief SUPPORTERS--wanted or unwanted; inherited or otherwise--those who are disgruntled; those who would have the rackets back; those who defied the Governor of the State and catered to highway rackets, causing the National Guard to visit us and bring unfavorable publicity to our county; Those who have been participants in speed traps; those who want special favors at the tax-payer's expense; those who have been promised jobs; those who have fought every progressive move of the present administration.

I have promised no jobs--it takes at least two members of the council to do this. I have not tried to assume that much authority. I haven't promised to "fire" any member of the city force; such promises cannot be fulfilled by any one council member.

It is mighty easy for a fellow to be pushed into a fight by disgruntled and selfish individuals, but when he is pushed into a PUBLIC fight--the PUBLIC usually is the LOSER.

With your help and confidence, I want to JOIN a GOOD TEAM--not FIGHT it!!

Legion Aux. News

Mrs. Russell Elliott and Mrs. Nelius Rhodes, President and Secretary of District 9 of the American Legion Auxiliary, attended the regular meeting of the Petal Legion Auxiliary, this past week. Mrs. Elliott and Mrs. Rhodes and Mrs. L. E. Elliott also attended the Veterans Hospital.

Mrs. Rhodes reports that requests are coming from the Veterans at the Veterans Hospital for more of the American Legion papers and magazines. When anyone finishes their papers and magazines, if they would send them directly to the Veterans Hospital, they would be greatly appreciated. Also, a collection of broken toys is requested. The veterans would like to repair on these all year round.

Plans are under way for a minstrel to be presented by the American Legion Auxiliary members. Mrs. Juanta Ward is chairman of this affair and urges anyone who would like to participate please notify her or Mrs. Leroy Luke, or attend the next meeting to be held Monday night, March 5 at the Legion Home at 10 o'clock. This is the first attempt at a minstrel for the Auxiliary, and it is hoped that the affair will prove a huge success.

Members of the Forty and Eight were guests Monday night at a supper given by the American Legion Auxiliary.

Members of the Auxiliary who served were Mesdames Rene Bermond, Frank Taconi, Owen Heitzmann and Joe Compretta.

Observe Silver Anniversary

In observance of their silver wedding anniversary, Mr. and Mrs. S. B. Saurez of Gulfport entertained with a reception Saturday evening in the private dining room of Friendship house with over 100 friends from the Coast and out of state area in attendance.

Mr. and Mrs. Sparez, the former Miss Marie Richardson, were married in the home of Dr. and Mrs. George C. Battalora, Bay St. Louis, who also served as their attendants. Both Dr. and Mrs. Battalora were present Saturday night.

TO THE PEOPLE OF BAY ST. LOUIS, MISS.

I wish to again to employ this means of thanking each and every one of my many friends and the people who supported me in the First Primary for the office of City Commissioner to fill the unexpired term of Sylvan J. Ladner. As stated in last week's issue I hold no prejudice or ill will for those or you who were unable to vote for me in the First Primary and earnestly solicit your support to elect me as your Commissioner.

In offering myself as your Candidate for City Commissioner there are several things which I strongly advocate and to which I will exert every effort to carry out during my tenure of office. I strongly urge you to carefully consider the following parts of my platform:

1. I favor an increased and improved Police Force. I favor the establishment of a Police Station to be affiliated with the present County two-way Radio Police communication which will provide maximum security. I will advocate an increase in salary of this personnel as I firmly believe that your present force is grossly underpaid.

2. I will strongly support an increased FIRE PROTECTION PROGRAM. I will advocate the erection of an additional Fire Station in the South Bay area. The City of Bay St. Louis presently owns two fire engines and could, at a very nominal cost, maintain two stations. This will afford better protection and lower fire insurance rates. I will advocate that a site be selected that will serve advantageously to all the people.

3. I will strongly support an immediate improvement program in the water system for the entire city. We have had some much needed improvements in recent years but I believe ALL OF THE PUBLIC should be served adequately.

4. I am in favor of a NEW CITY CEMETERY WITHOUT BOND ISSUES.

5. I will strongly oppose any INCREASE IN YOUR AD VALOREM TAXES. I believe that with the added revenue from your current Sales Tax some relief should be forthcoming and that with the added revenues being received from the State many improvements could be added to your City.

6. I will strongly advocate

the publishing of the Minutes of your City and will publish all of the disbursements of the City, including the gas and water departments.

7. I will support a fair distribution of all purchases made by the City whereby each and every merchant within the City will share in the purchases.

8. I will recommend an annual audit by an UNBIASED AND INDEPENDENT ACCOUNTANT.

9. I will advocate better maintenance of your streets. I WILL OPPOSE ANY BOND ISSUES THAT WOULD BE A DETRIMENT TO YOU AND YOUR CHILDREN FOR THE NEXT GENERATION.

10. I will return this office to the People for it is you whom I will represent and this will be YOUR OFFICE and I your Servant.

I believe my past experience in public offices fully qualified me for the office to which I aspire, and, in this respect, I again state briefly some of my experience that directly relate to the position of City Commissioner.

1. I have served you for the past eight years as a deputy Tax Assessor in the office of the Honorable Claiborne J. Ladner, your present County Tax Assessor.

2. I was employed for several years in the office of the Sheriff and Tax Collector and in the office of the Circuit and Chancery Clerk.

3. Until recently I served as your Executive Director of Public Housing.

4. I am active in all civic projects for the City, County and State.

5. I will continue to be unbiased and serve all of the people, regardless of Race, Creed or Color in the same manner. I AM AN INDEPENDENT CANDIDATE TIED TO NO POLITICAL FACTION OR INDIVIDUAL POLITICIAN, as I still want to be free to express my own honest, fair and impartial convictions and to act accordingly.

In closing I ask that you carefully consider my qualifications and the things for which I stand.

God willing, I still desire to be your "Public Servant" and will make this office YOUR OFFICE.

Respectfully,
GEORGE F. HEITZMANN
CANDIDATE FOR
CITY COMMISSIONER

Six Stanislaus Band Members who participated in the Pearl River Junior College band clinic last week-end were assigned first chair solo positions each in his respective sections. The first chair solo is assigned to the student who obtains the highest grade in the tryouts conducted by the visiting band directors. There were ninety-five students who took the tryouts.

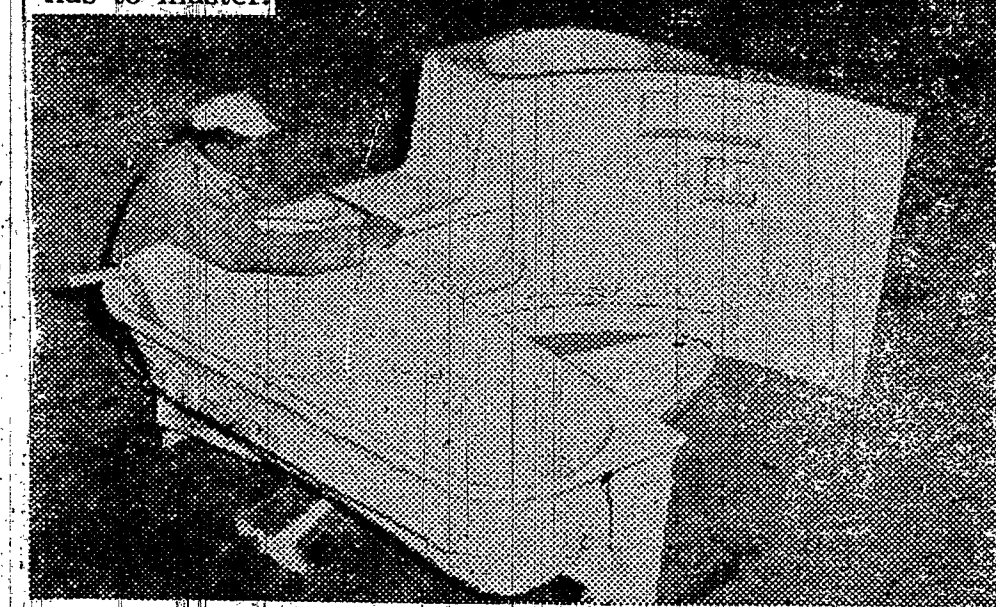

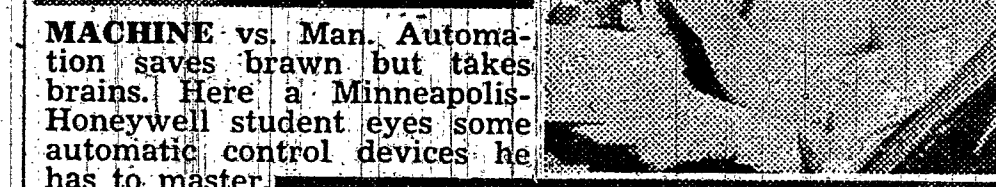

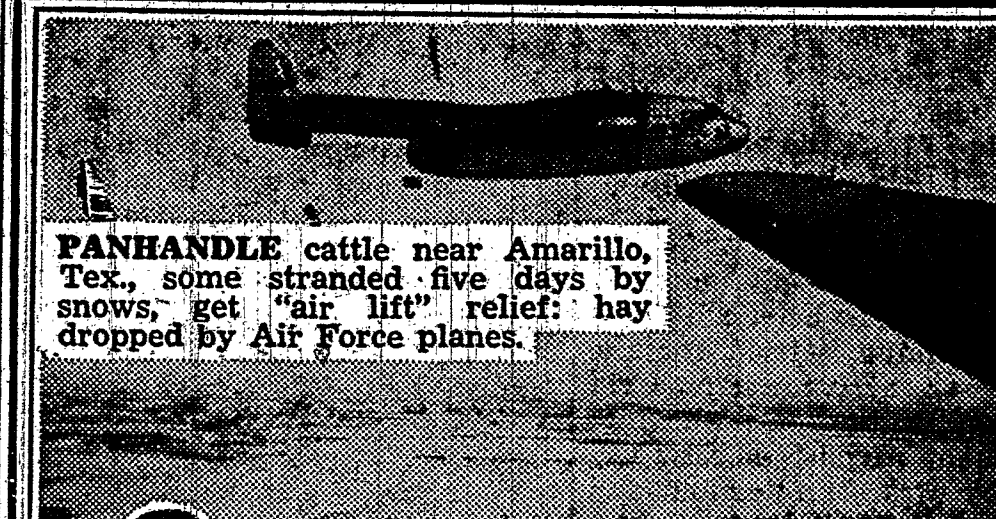

Stanislaus students who received first chair solo positions were Edward Dufresne, cornet; Jack Crais, trumpet; Edsel Aucott, Alto Sax; James Raymond, B-flat Clarinet; Thomas Crooks, Euphonium; John Joyce, snare drum. Hector Bourg and Charles Bishop were assigned first chair, second trombone.

The clinic band staged a parade through the business section of Poplarville. Every student was dressed in the uniform of his school band. It was a very colorful spectacle.

Saturday night the clinic band presented a concert for the public.

This clinic is an annual event sponsored by the Pearl River Junior College Music Department under the direction of Joseph G. Ellis.

United Gas Names Power District Manager

Jackson, Miss. — Appointment of Charles J. Power, at present assistant superintendent in the General Office Land Department of Union Producing Company at Shreveport, Louisiana, to the position of District Manager of United Gas Pipe Line Company and Union Producing Company, was announced February 15th by Ed Parkes, president of the two firms. Power will be in charge of all production and pipe line operations in the Jackson District which comprises the State of Mississippi and parts of Alabama and Florida.

Power, who has been with the United Gas organization and a predecessor company for more than 28 years, will succeed Robert M. Hearin, who has resigned.

Charles J. Power, 38, was born in Mississippi and became vice-chairman of the Board of the First National Bank of Jackson, Mississippi. With his long experience in the oil and gas business, Power is no stranger to Mississippi, having spent three years in the state in the late '30s as a land man for Union Producing Company.

Power started in 1928 with a company at Shreveport, which later became a part of United Gas. When United Gas was formed in 1930, Power was transferred to Houston, Texas, and served as a land and geological scout. In 1937, Union Producing Company materially expanded its exploration and leasing program in the Mississippi area and Power was promoted to land man and transferred to Jackson to assist in this work. He played an active part in the acquisition of leases throughout Mississippi, Southern Alabama and Western Florida, in the territory served by United Gas. He had an active part in the leasing of the Tinsley Oil field.

From 1939 to 1950 Power was district land man in the Beeville, Texas district of Union. In the latter year, he was promoted to assistant superintendent of the General Office Land Department in Shreveport and has held that position until now.

Power was born at Lake Charles, Louisiana. He received his early education in the schools of Shreveport and is a graduate of a Shreveport business college. He has been active in the civic and business affairs of Shreveport. He is a member of the American Petroleum Institute, the Independent Petroleum Association of America, the Landman's Association, and Shreveport Petroleum Club.

He will take up his new duties in Jackson immediately and he and Mrs. Power will move to Jackson in the near future. Hearin, whom Power succeeds as Jackson district manager of the pipe line and producing subsidiaries of United Gas, has been with United since 1939, when he joined the company as a land man at Jackson.

He was named assistant district manager of United Gas Pipe Line Company in 1953 and has been district manager since July, 1954.

Family feuds will flare in a mother-daughter set-to at St. Joseph Academy's gymnasium at 8 p.m. March 13.

Launched by a gala parade starting at 8:15 p.m. on the

fateful day, the mothers, looking real cool in full uniforms (middle-blouses, knee-length bloomers, black hose, white high top tennis shoes and red hair bows), will be driven through town in convertibles followed by the cheering section in full voice and well-wishers armed with placards and banners.

Sonny Dorich, Bobcat pin

A huge cake iced in blue decorated with four little gold bear cubs and centered with the Webelos sign was cut and served with soft drinks by the cub scouts to their guests.

Papa, usually the forgotten man, will be worth remembering, according to advance notice from Mr. Robert Camors, who has secret plans for leading them into a halftime variety act of stunts and antics.

Mrs. Phyllis Seuzeneau is general chairman and coach of

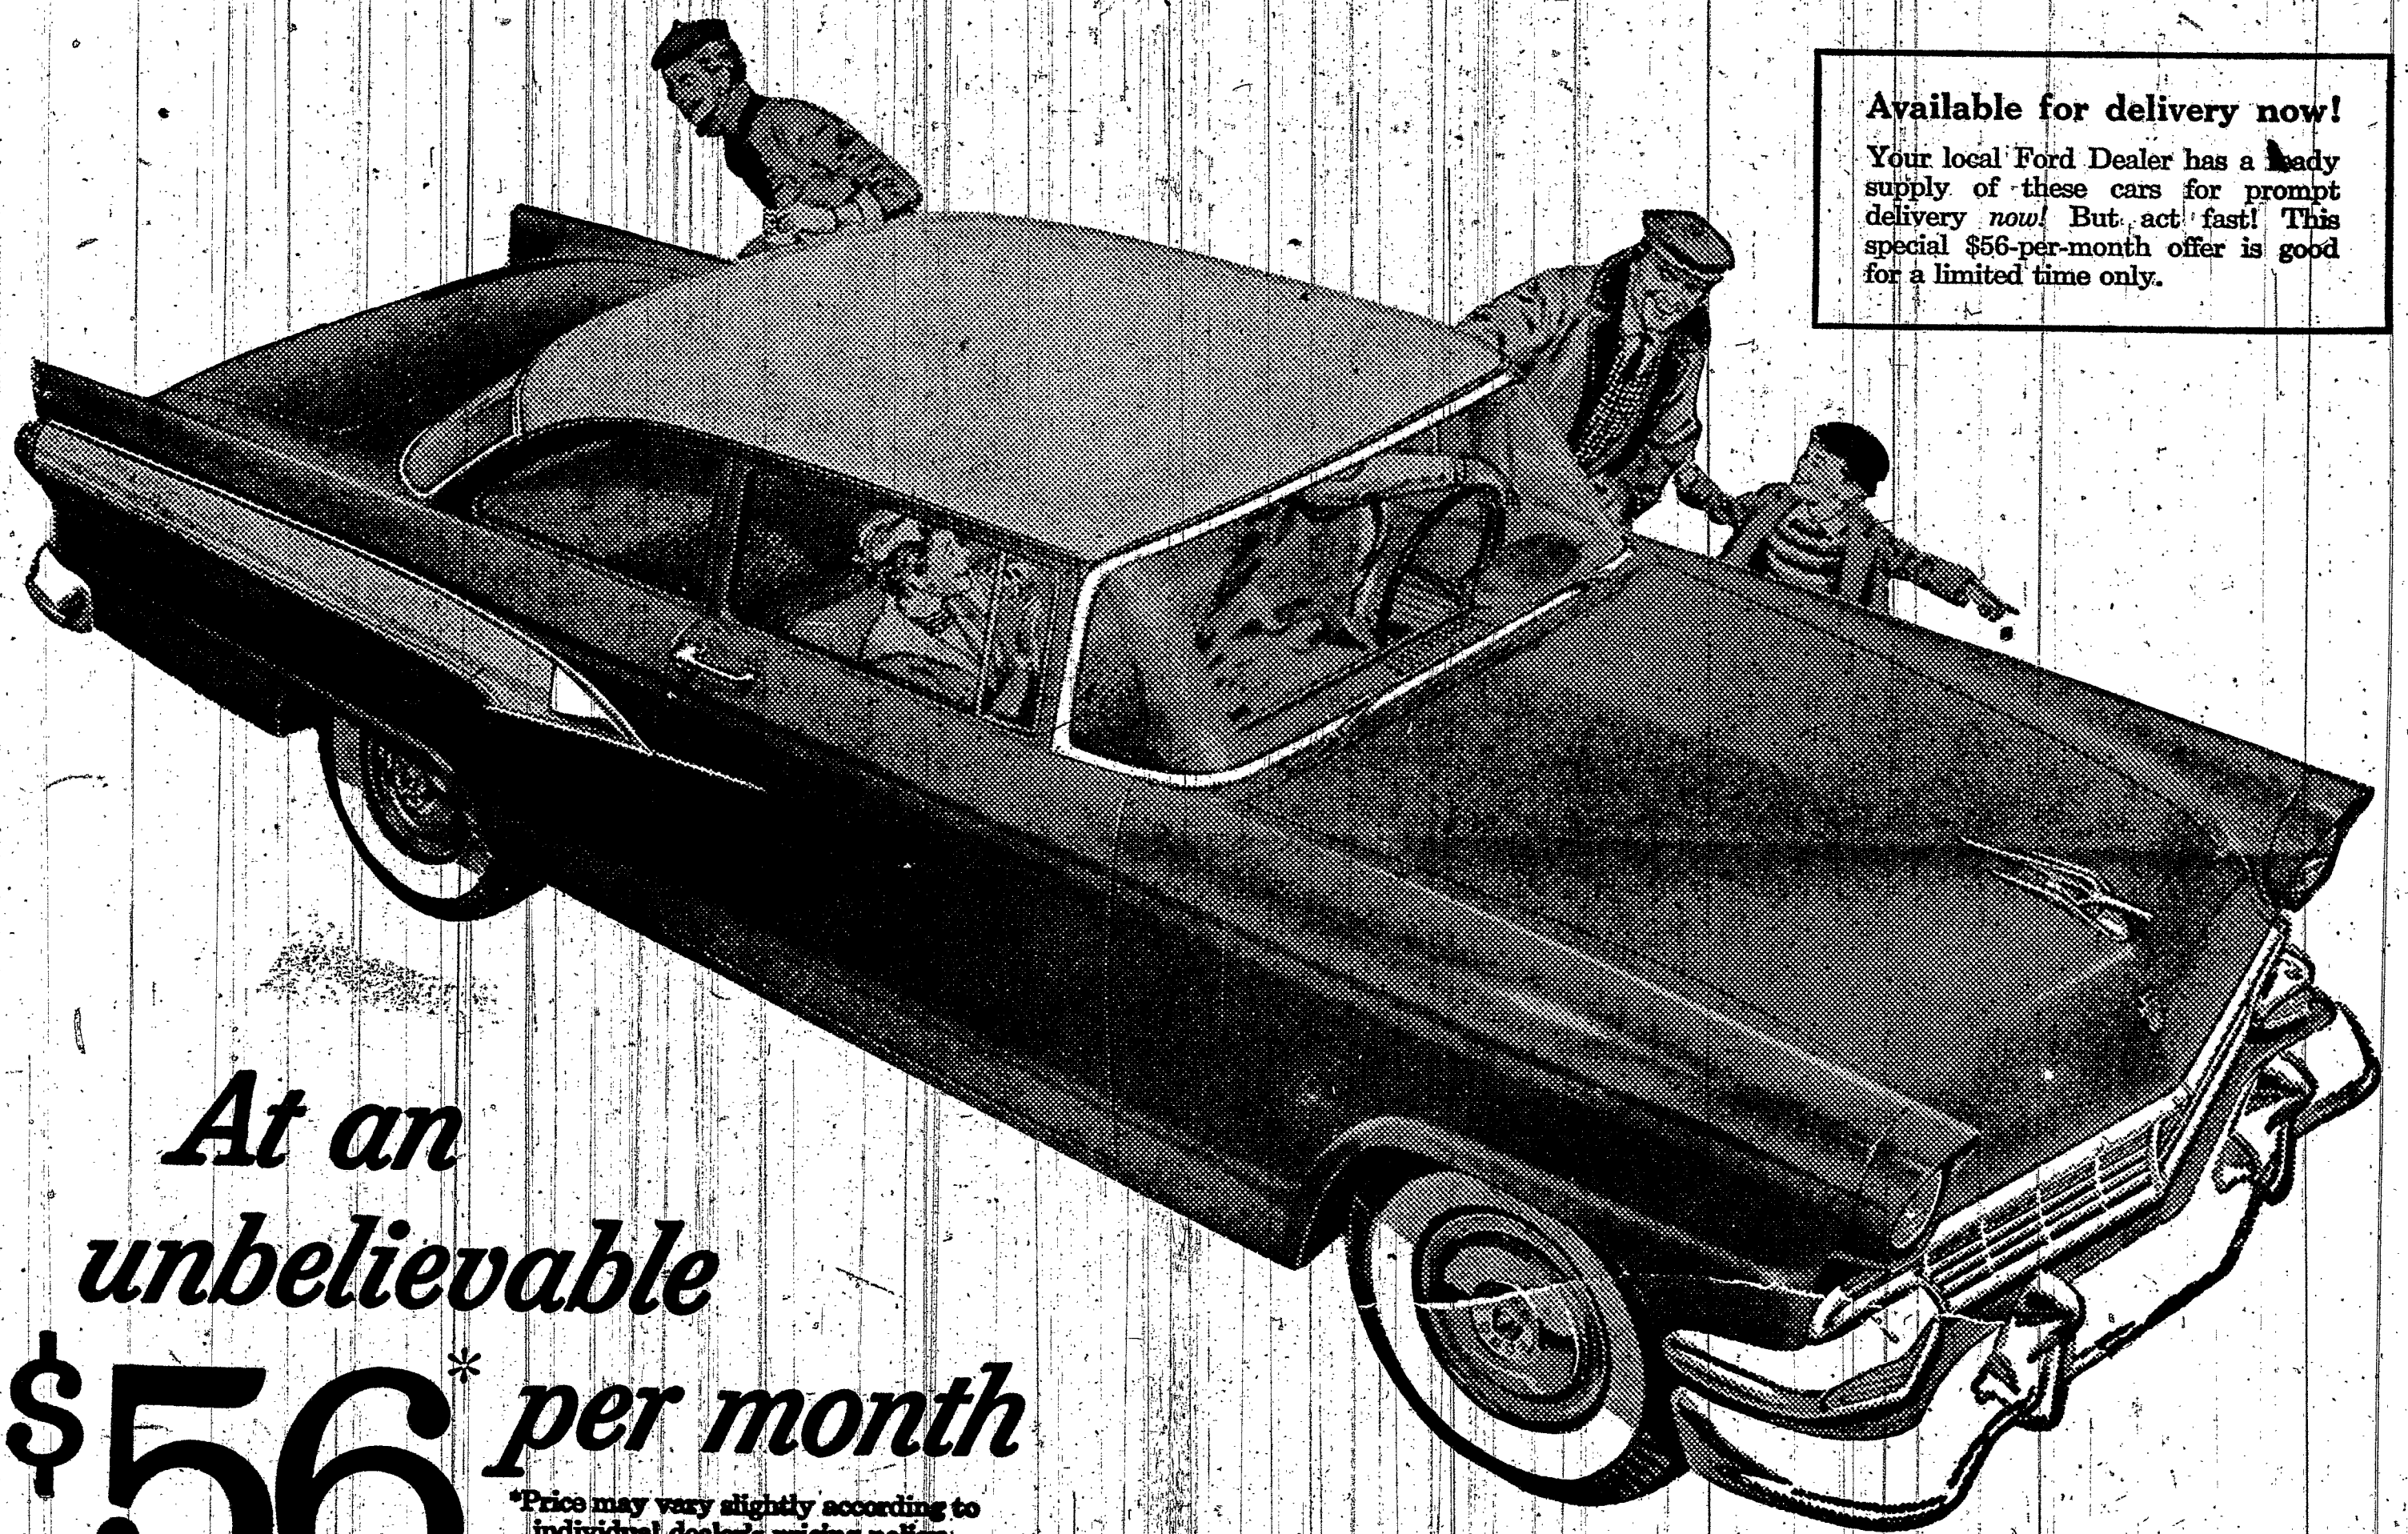

the Mothers Team, and is aided and abetted by the committee of mothers from the SJA Parents Club and by Mrs. Lawrence Jacobi, who is getting the mothers' cheering section up to a fine and feverish pitch.

Daughters are not saying much so far—and time alone will tell whether mother does best or daughter's dazzling dribbling turns the tide in this intra-family encounter.

But both sides are plenty sharp and smart enough to throw a little care and caution into the opposing camp—and both ladies and lassies will do well to beware the fides of March.

ST. CLARE'S HNS OFFICERS MEET FEBRUARY 16TH

St. Clare's Holy Name Society held its officers meeting February 16 at the home of A. J. Frey. Present were Father M. J. Costello, A. J. Frey, M. Trenkle, Harry Lynch, John Auderer, Guy Drew, Mel Villere, James Mocklin and L. J. Fernandez Jr.

The Month of March is Father and Son month; the official communion will be held March 11 at the 8 o'clock mass. The Communion intention is "My Dad" or "My Son."

Father Costello has requested that Holy Name members attend Lenten Services at 7:30 p.m. Fridays and 7:00 p.m. Sundays.

Robert Fernandez and Joe Bourgeois will act as chairman for the Altar Boys Society. Guy Drew has volunteered to phone all members before each communion.

The motion picture "I Beheld This Glory" will be shown at 7:30 p.m. March 28 at Waveland school and also will be shown to the Waveland School children at 1 p.m.

A special meeting was held Monday night, Feb. 20 for the Parish Hall. Water pipe has been received for the Parish Hall and has been installed. The Parish Hall is now open for the community hall. The Parish Hall is now open for the community hall.

SIXTH BIRTHDAY PARTY

Sue Ann Taylor celebrated her sixth birthday on Saturday with a party at her home on N. Second.

Spring flowers and multi-colored balloons were used in the reception rooms in keeping with a springtime motif.

Becky Adams and Sharon Walters won prizes in the games the children enjoyed.

A beautiful pink birthday cake topped with a miniature basket of snapdragon blossoms centered the party table which was covered with a pale grey linen cloth. Small bouquets of suckers tied with ribbon marked each place.

CELEBRATES 4th BIRTHDAY

Little Miss Marilyn McDonald celebrated her fourth birthday Tuesday afternoon with a party to which fourteen young friends were invited, at the home of her parents, Mr. and Mrs. David McDonald.

Games were enjoyed and Helen Johnson was the prize winner in planning the

party. A special meeting was held Monday night, Feb. 20 for the Parish Hall. Water pipe has been received for the Parish Hall and has been installed. The Parish Hall is now open for the community hall. The Parish Hall is now open for the community hall.
